Letter No.1677F/49-6 d/29-3-49 Food (F) Department.

To

The Manager,
Messrs Cities Service Oil Company Limited,
183, Chawri Bazar, Delhi.

Sir,

Sub:- Civil Supplies Kerosene - Madras Kerosene - Madras Kerosene Control Order 1947 - M/S. Cities Service Oil Company Limited, Delhi - Recognition as an importing Oil Company and other requests.

Ref:- Your letters dated 8-1-49 and 10-2-49 Government letter No.1677F/49-2 (Food) dated 28-1-49 ~~In continuation of the Government letter cited~~

In continuation of the Government letter cited I am directed to state as follows:-

2. The Government of Madras have no objection to the Kerosene imported by the Company being marketed in the Madras Province. If the kerosene imported is ordinary kerosene, it will come under the provisions of the Madras Kerosene Control Order 1947 and it should be marketed as per terms of the order. If however the kerosene imported is "power kerosene", the Company should prove to the satisfaction of the Board of Revenue (Civil Supplies), Madras that it is so and obtain its specific instructions whether or not it will be allowed to be sold outside the purview of the order referred to above.

3. As regards the question of the price to be fixed for the kerosene, the position is that after the abolition of the control over its main port selling prices by the Government of India, the Company are at liberty to fix their prices. It is enough if they intimate to the Government the Board of Revenue (Civil Supplies) and the collectors of the districts where the oil is marketed, the prices of kerosene as and when they fix them from time to time. Detailed instructions of the Board of Revenue (Civil Supplies), Madras should be obtained in advance before the kerosene is actually despatched to the consuming centres in the Province.

4. A separate communication will follow with reference to the company's request that they may be recognised as an importing Oil Company under the Madras Kerosene Control Order.
